

# Current NIH Funding Opportunities and Announcements

NIH posts the electronic NIH Guide (<https://grants.nih.gov/funding/index.htm>), a list of all NIH funding opportunity announcements (FOAs) including requests for applications (RFAs), program announcements (PAs), and important notices for the scientific community. Below is a selection of recently issued FOAs in which NIMH participates.

The “Funding” page on the NIMH website (<https://www.nimh.nih.gov/funding/index.shtml>) also has links to all NIMH FOAs and other resources.
